BRIEF ABSTRACT OF LETTER.

Forwards an application from the Foreman, Govt Branch Press, Mysore, praying that the order discontinuing the overtime allce to him may be reconsidered for reasons given.

NOTES AND ORDERS.

Subd.

The case of the Foreman is regulated by G.O. No: 12690-1 dy 27.3.1901, disallowing overtime allowance to him in view of the benefit of free quarters provided to him at the Branch Press premises. His claim to overtime allowance in the bill for June 1915, was disallowed accordingly and the bill passed for the rest.

In forwarding a representation from the Branch Press Foreman to revise this order, the Supdt. states that the official was till recently in receipt of this allowance and that he derives no benefit out of free quarters — by reason of unhealthy locality — as he puts it a clear - advance. In effect, the Supdt. strongly urges his case for the consideration of Govt.

The Foreman of the Central Press is similarly situated but is granted allowance for overtime work. The application of the Branch Press Foreman is based on this analogy.

It may be noted here that the work in the Branch Press in connection with the University, may grow heavier and entail overtime working on the staff.

In the general order revising the System of overtime payments, — which is under consideration separately — the case of the Branch Press has not been expressly excluded, The expression 'Govt. Press' being used all through. To make matters clear, the expression 'Govt Presses' may perhaps be ~~[illegible]~~ adopted.

Orders have been issued on the general question. Under recent orders, working sections of the Govt. Press are entitled to overtime allowance. These orders apply ipso facto to the Branch Press at Mysore. The Branch Press foreman will become entitled to this allowance in future.

Kind attention is invited to the Supdt's concluding sentence and this opportunity may perhaps be taken to make it clear that the general orders touching the Overtime system in the Govt. Press are also applicable to the Branch Press at Mysore. This point has not been clearly brought out either in the G.O. of the 12th July 1916 or our reply to the Supdt's first reference.

9/8 VS

The Supdt does not refer to the Order dated 12 July 1916. Ask him if there is still any point on which he wants Orders.

VS 18/8/16

It is respectfully submitted that the Supdt's letter is dated, 2nd august 1916, while the general order was issued on the 12th July 1916 and that he refers to this general order in his letter (please see portion marked in red pencil). Apparently, the doubt he has in his mind is whether the general order may be held to apply to the Branch Press also and whether pursuant to it, the Branch Press Foreman is entitled to the allowance. It is on this point that he asks for a reply.

Sir,

In forwarding herewith an application from the Foreman, Government Branch Press, Mysore, on the subject of overtime allowance which he was getting for a long time, but which has recently been disallowed by Government, I have the honor to recommend his case for kind consideration as the applicant has a real grievance to be redressed. There

is

is nothing to justify his being denied the allowance, when Foremen in the Central Press get it. On the Contrary, I should think he deserves a more favorable treatment in this respect, in view of the fact that the special works that are executed at the Branch Press on occasions like the Birthday Festivities and the Dasara, entail heavy stress and strain to the staff.

Perhaps it is presumed that he has been provided with residential quarters at the Branch Press Premises. The place is so unhealthy and the quarters so unprovided, that no one would like to remain there; and therefore he is not living at the Premises. Consequently I venture to think it would be only just to treat him like other Foremen, by granting him certain which he has been getting hitherto.

I have the honour to be,
Sir
Your most obedient Servant,

A. V. Yates

Respected Sir.

With reference to your Order No. 1038 dated the 2nd November 1915 enclosing a Copy of the Government Proceedings No. 5264-5 dated G. O. 2-16-17 22nd October 1915 declaring on the authority of the Govt Order of 1901, overtime allowance to me, I respectfully beg to submit the following for your kind Consideration.

The discontinuance of the said overtime allowance seems to have been based on the Consideration that free quarters have been set apart

apart for the accomodation of the Foreman within the precincts of the press premises and therefore he is considered to be always on duty. I beg leave to urge upon your gracious consideration the utter unsuitability of the said quarters for residential purposes. What from material nature of the locality and what from its unsuitability for dwelling purposes, abounding as it does, with poisonous snakes and reptiles, the building was at no time used as permanent quarters by the Foreman. The abandonment of the present Exhibition Buildings more than a mile and a half distant to the south as residential quarters for the Revenue Police in Mysore is said to be due to the material

nature

nature of the locality and this reason applies all the more forcibly in respect of a building quite adjacent to the marshy tracts below the bank

I beg further to submit that the quarters were never occupied by me and I have been getting the over-time allowance ever since my appointment to the place viz from 1905. Moreover my predecessors were all drawing Rs. 60/- with comparatively less work and responsibility. The times are changed now and I need scarcely say, what amount of work and responsibility devolves on the foreman at present.

To deny to me the privilege of higher pay which my predecessors were drawing

and

and to subject me only to the restrictions imposed in the Government Order referred to above are matters to be kindly Considered by you, having regard to the fact that the work and responsibility of the Foreman is, as you are aware, increasing day after day, and that to get through the work in the given time, he has to work day and night without meals and sleep for several Consecutive days.

When everyone of the Employees of the Press, working side by side with me under your personal orders, gets over-time allowance, it is very hard to make an exception in my Case only.

Knowing as you do the difficulties

difficulties of a printer, I beg to appeal to you for obtaining a vindication of Printers' Rights and Privileges Commensurate with their responsibilities; and if this is not secured to your humble subordinates during Your Regime, permit me to submit, Sir, that their Case is one lost for ever.

In these Circumstances I respectfully beg that you will be pleased to recommend my Case to Government for their Kind reConsideration and orders in the matter of Combining the payment of overtime allowance to me in Connection with the works executed from the last Birthday & Decora Festivities of Mysore

I beg to remain
Respected Sir
Your most Obd. & humble Servt.

SIR,

I have the honour to invite your attention to this Office letter No. 2165, dated 22nd March 1916, on the subject of overtime allowance which the Foreman of the Branch Press, Mysore was getting from a long time, but was recently disallowed by Government on the ground that he has been provided with quarters etc, at the Branch Press from

of Mysore. As the Foreman is not living in the quarters as they are unhealthy and unsuitable for habitation purposes and as his presence is absolutely necessary at all times on several occasions, such as Birthday and Dasara festivities, his prayer for overtime allowance is justified. I therefore request that you will kindly accord sanction for payment of overtime allowances to him, as every worker of the Government Press has been granted the same and as the Press at Mysore forms a Branch of the Press here, it is nothing but right that the Foreman should claim overtime for extra hours working over and above the usual working hours. I have the honour to be,
